

Dear Vicki and Jimmy,
Thank you for your letter and the check. The check makes me feel badly because I know you have such big expenses, but I don't take care of our finances so I can't do anything about it.
Our weather is nice today but we did have a couple of days of rain, however I have been mowing the lawn so often that it can still stand a few more days without cutting before it gets too long again.
Yesterday I took Diane to her pre-school since it was Mary's turn to go but she had to attend a housewives E. R. A. meeting so I took her place. Diane was very excited about having her grandmother there and it was quite interesting watching all the little kids and we have to work all the time for almost two hours. Diane helped me with my duties and when ever I didn't know what I should do with something or other she would run over to the teacher and tell her I needed help, which I really didn't but the children love to ask the teacher questions and they call her teacher, instead of her name.
Tonight we have to leave at 4:30 and go over to Mary's as Mike is having a one hundred dollar fund raiser at Ruby Chow's restaurant, but we aren't going, instead we would rather stay at home with Diane. After the dinner Mike is having a debate with Cunningham and another one tomorrow night on television.
Dad likes the new car and I especially like the air conditioning. It is blue and has bucket seats and is really quite nice but I still like my station wagon better. It takes time to get used to another car I think.
Helen and Bob Lowry have decided to postpone their trip back there and plan the trip in the spring instead. Your jogging experience sounded just wonderful and I am sure it was alot of fun but I don't see how you do it. I am going to start my walking again because I really did feel good after the two mile walk. I am glad your dinning room set came and I hope I get to see it before long.
Jimmy, you didn't send your chess move with your letter but I will call you soon.

Love,

Mom.
